

College Visitation Request Form

Students should submit a College Visitation Request form to the attendance office five (5) days in advance. College visitation days are limited to three days total per year and are only for 11th and 12th grade students.

Students will need to bring something back from the college that shows they were there. This could be a brochure, a letter signed by the college admission office, etc.

Student's Name _____

Date(s) of requested visitation _____

College(s) Visiting _____

Parent Signature _____

Date _____
