

TECHNOLOGY USAGE/AWARENESS FORM

Columbus Preparatory Academy is introducing a 1:1 laptop pilot program in the high school beginning in the fall of 2022. A technology fee of \$40.00 will be assessed and is required by all high school students to be made in full by the assigned distribution date. Annual fees may change from year to year and will be announced prior to the start of each school year.

Parents and students are required to sign an acceptable use policy prior to a laptop being assigned. Until the technology fee is received, the student will not be issued a laptop. Students/parents/guardians, who need financial assistance to cover the technology fee should see the Registrar for a financial assistance form.

If a Chromebook is lost or damaged due to neglect or damage beyond repair, the Parent/Guardian/Student will be liable for the full purchase price of the device. Students should treat the laptops as the valuable piece of equipment that it is. In the event of damages caused by wear and tear and in need of repair should be delivered to the Business Manager. The Chromebook is school property and all users will follow these expectations.

The Chromebook must remain free of any writing, drawing, stickers, or labels that are not the property of the school. Chromebooks should never be left unsupervised. Stolen/Lost laptops will be the responsibility of the Parent/Guardian/Student for the full purchase price of the device to be replaced. Students are responsible for charging laptops prior to each school day.

All laptops will need to be turned in prior to the end of the school year or the full price replacement fee will be assessed.
