Subject: Harassment, Intimidation, and Bullying

President Ditello and Board Members,

The Board of Director's School Policy requires that the School Leader provide the School's Board President a semi-annual written summary "limited to the number of verified acts of harassment, intimidation and bullying whether in the classroom, on the school property, to and from the school or at school sponsored events". Pursuant to this policy, we are reporting via this correspondence that Columbus Preparatory Academy has had one reported incident of harassment, intimidation or bullying since the beginning of the 2022-2023 academic year.

This issue was investigated and found to be unsubstantiated, therefore, resulting in dismissal.

Respectfully,

Tres Marangoni, M.Ed  
Executive Director
