

203 Parent and Foster Caregiver Involvement

The School recognizes that having Parents and foster caregivers of Students actively involved in Students' education promotes Student success in educational efforts. This involvement of Parents and foster caregivers is likely to bring about overall improvements in academic achievement and encourage positive student behavior.

In order for our faculty and staff to effectively educate our children, we welcome our Parents and foster caregivers as partners. Parents and foster caregivers are strongly encouraged to participate in a variety of activities and forums that will support our students academically and add to the vitality of our school.

Parents and foster caregivers will be expected to participate in regularly scheduled status reviews and to sign an agreement with the School confirming their commitment to the educational success of their child. A status review is a formally scheduled conversation between faculty and Parents/foster caregivers in order to discuss their Student's development and progress. Parents and foster caregivers will be required to confer with faculty about their child's social and academic achievement on a regular basis, as scheduled by the School on the School calendar. Parents should attend status reviews in order to receive written report cards. The School also encourages Parents to initiate conferences about their questions and concerns with the Principal or his/her designee and/or faculty members.

The School further encourages Parents and foster caregivers to do the following:

1. Engage in consistent and meaningful communication with the School, including active participation in any parent-teacher conferences/ status reviews;
2. Prioritize Student learning in both the School setting as well as at home;
3. Be aware of School policies, procedures and curriculum and contribute in order to promote the improvement of the School;
4. Participate in School activities where appropriate, including through efforts as a volunteer; and
5. Support and reinforce Student learning at home.

The School will make available information regarding the School's policies, procedures, programs, and curriculum in both in a format and language that is understandable to Parents and foster caregivers.
